THE CREATIVE DESIGN OF THE VILLAS PROVIDES YOU WITH CONSTANT VIEWS OF THE OCEAN.

The Great Room is adorned with French style doors that lead to a panoramic view of the turquoise waters, framed in old world architectural charm that is, and always will be, authentically Caribbean. The kitchen is designed to be the heartbeat of villa life. Enjoy the comfort of home-cooked family meals, or delight in having every meal prepared by a private chef. For the ultimate in privacy, there is also a private chef prep area separate from the main kitchen. The pride of the villa is undoubtedly the master suite. This special room boasts one of the most enchanting views of Caicos Banks, which can be enjoyed on the gracious ocean front terrace or from the spacious interior of the master suite.

The Shore Club Villas offer a rare opportunity to own a truly evocative and luxurious residence in the Turks & Caicos Islands.

COURTYARD OASIS

The exclusive courtyard pool is your totally sequestered escape and can be the essence of tranquility or the focal point of activity and fun for the entire family. The innovative courtyard design gives you complete privacy, just steps away from pristine beach, spa, multiple resort pools, restaurants and amenities. In addition to the resort amenities, owners and guests will be treated to an expansive beach graced by palm trees, refreshing tradewinds and a level of privacy normally found only on private islands.

LUXURY BEACHFRONT VILLA

Only six villas are being constructed within the exclusive Shore Club development, providing a rare opportunity to own a private, beachfront villa perfectly situated within an expertly designed resort master plan. Each luxury villa features six bedrooms that include the grand master suite, three spacious guest rooms with private baths, and two “flex” rooms that can be quickly adapted to accommodate adults or younger members of the family.
